Camp-in-a-Box Pick-Up Procedure

Digital Summer Art Camp, 2020

Greater Reston Arts Center (GRACE) aims to provide a meaningful, virtual, and safe summer camp experience for our staff and for your family. With this in mind, we have established a procedure to safely facilitate the compilation and pickup of materials for summer art camp.

All camp-in-a-box kits will be prepared with supplies and materials that GRACE staff members have ordered online. Both the shipment boxes from the online purchases and camp kits will be handled by a PPE-wearing GRACE staff member (masks, gloves, ect.). Camp kits will be available for contact-less, no-touch pick-up the Saturday prior to each camp between 12pm – 2pm at GRACE. **Parents must sign up for a timeslot ([click here to sign up](#))**. Please select the correct sign-up sheet for the week your camper is registered using the tabs at the top of the website page.

Weather permitting, we will establish a table outside the gallery, under our awning, where parents/guardians can pick up their boxes during their assigned timeslot. **Masks will be required as parents/guardians approach the building for pickup.** Please follow the steps below to aid in everyone's safety:

1. Parents/guardians will approach the table outside and give their camper's name to a PPE-wearing staff member who will retrieve your box.
2. Parents/guardians move to the 6 feet mark from the table.
3. Staff will place the box on the table, remove themselves to a safe distance, and parents pick up the box and leave.

Greater Reston Arts Center (GRACE) reserves the right to not serve, deliver materials, or work with any individuals who do not comply with the aforementioned process.

For further questions, please contact Sarah Berenz, Education Manager, at sberenz@restonarts.org or call 703-471-9242.
