List of Required Items

Thank you for registering for GRACE Digital Summer Art Camp! As mentioned in your confirmation email, the camp-in-a-box kit will supply your camper with most of the materials they will need for a week of fun-filled art activities. However, we do require a short list of basic materials which campers will need to have on hand at home to create projects. These items will not be included in the camp-in-a-box kit, so make sure to have them ready to go on the first day of camp.
